Health

In relation to Health & Safety, it is important that we know if there are any aspects of volunteering at our Centre that you would not be able to cope with. A disability or health problem does not necessarily exclude you from volunteering at the Centre. All information given will be treated with the strictest confidence.

Are you registered disabled? Yes No

If yes, what is the nature of your disability?

Do you suffer from any allergies?

Are there any other health matters that we should be aware of?

It is important that you inform us if you should suffer from any illness in the future that may affect your ability to volunteer for the organisation or that would put others at risk.

Criminal Records Checks

As volunteering in our Child Contact Centre involves working with children, all volunteers have to be checked with the Criminal Records Bureau (CRB). You will be asked to complete a ‘Disclosure Application Form’, and provide evidence of identity, before it is sent off to the National Association of Child Contact Centres who are registered with the CRB to apply for the checks on our behalf. A prior criminal conviction may not prevent you from volunteering at our Centre, but failure to disclose relevant convictions in full will result in immediate suspension pending investigation.

The following questions are optional – but it would really help us to know a bit about you.
